Summer City of Deer Park Beautification Award Nomination

The City of Deer Park's Beautification Awards program is a city wide competition that recognizes businesses, residences, organizations and other establishments for contributing to the improvement and beautification of our community. Excellence in landscape design, maintenance, building improvement, and overall curb appeal will be considered by the City of Deer Park City Council, who will judge the competition.

These awards help foster civic pride in our community, beautify our entire city, and of course, recognize people and organizations for their work to make Deer Park a better, more attractive place to live and work. As a Community, the way in which we use, improve, and maintain our homes, businesses, buildings, and garden expresses an image of Deer Park. These awards show our neighbors and visitors that Deer Park recognizes the importance and value of keeping our City beautiful.

The application deadline is 4:00pm on Friday, July 15, 2016. Winners will be honored at the Days in the Park Festival on Saturday, August 6 at 7:00 pm Center Stage, and will receive a certificate, an acknowledgement sign to be placed on the site temporarily, and a photo of the site will appear on the City of Deer Park Website and Facebook Page.
