Deer Park Branch Library

March 29th 6pm - 8pm

Price Hill Branch Library

April 5th 6pm - 8pm

And a special Saturday event

Avondale Branch Library

April 15th at the 11am - 1pm

Navigators from Equitas Health and Get Covered Ohio will be available to help individuals and families:

- Apply for Medicaid coverage,
- Update their contact information with Medicaid so they don't miss important information or deadlines,
- Review any correspondence received from Medicaid and help discern what is needed to renew their benefits,
- Figure out the next steps if they are denied and will lose health coverage through Medicaid or CHIP by helping them either finish their renewal (if they were denied because of inaction or error) or help with other health coverage options through the Federal Marketplace if they no longer qualify for Medicaid or CHIP,
- Choose a managed care plan for Medicaid or a Marketplace plan and find in-network providers.
